Professional Experience

UI/UX Design Intern
EXL Services, Chennai
06/2026 – 08/2026 | Chennai

- Assisted in designing user interfaces for web and mobile products under the guidance of senior designers
- Created wireframes, mockups, and prototypes to support product design decisions
- Conducted user research and usability testing to gather feedback and inform design improvements
- Collaborated with cross-functional teams including product managers and developers to align design with business requirements
- Contributed to maintaining design consistency by following existing style guides and design systems
- Presented design concepts and iterations to internal stakeholders for review and feedback

Brand & UI/UX Design Freelancing
03/2024 – 09/2025 | Pune

- Designed complete brand identity systems and user-centric interfaces for web and mobile applications, focusing on visual clarity and usability
- Created wireframes, user flows, and interactive prototypes, along with cross-platform assets (social media, packaging, websites, pitch decks) for digital and print
- Conducted brand, competitor, and user research to inform creative direction and design decisions
- Collaborated with clients and developers to iterate concepts, present design rationales, and ensure consistency across deliverables
- Managed multiple freelance projects while building and maintaining scalable design systems, iterating based on feedback and testing insights

Responsibilities Undertaken

Visual Communication Pavilion Representative
MIT World Peace University
11/2025 – 04/2026

- Represented the Visual Communication Design department at the annual design expo, showcasing student work and departmental projects
- Communicated design concepts and project narratives effectively to visitors, industry professionals, and faculty
- Assisted in curating and organizing exhibition displays to ensure cohesive visual storytelling and presentation
- Engaged with attendees to explain design processes, tools, and creative decisions behind showcased works
- Point of contact for queries to the VCD program & portfolio

Education

B.Design - Visual Communication
MIT World Peace University
06/2023 – Present | Pune
CGPA: 8.75
